**Create the Future
Benefit Breakfast**
Friends of Renton Schools

Monday, April 25, 2016

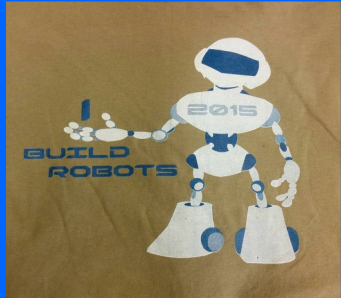

Visionary Sponsors

Welcome and *thank you!*

Everything We Do is Powered by YOU. Your presence here is proof of the extraordinary community in which we live. **It's you...** parents, businesses & residents who make our schools first-class centers of learning.

Our hope is that today's breakfast will give you greater insight into how your donations are being used to impact student lives.

Your contributions to FoRS helps to support after-school **High School and Middle School STEM programs** as well as **Elementary School summer literacy and robotics camps**, focus on increasing our students reading confidence & provide access to STEM related learning experiences.

The "Play it Forward" campaign opens doors to students by providing them with tools to further their education in performing and fine arts. This year your donations in partnership with Renton High School helped to install an entire classroom with:

30 Digital Keyboards and provided Art Supplies in Middle Schools!

Friends of Renton Schools is in partnership with the Renton School District. Our mission is to provide supplemental funding to support the Renton School District so that

EVERY STUDENT in EVERY SCHOOL has an opportunity to achieve an exceptional education.

Friends of Renton Schools is under the umbrella of the Renton Community Foundation.
PO Box 820, Renton, WA 98057
