

2018 YEAR IN REVIEW

Thank you for your generous donations to the Renton Schools Foundation. Because of you, we were able to “Inspire Passions & Change the Lives” of our students! This past year you donated to:

- 9th Annual Benefit Breakfast
- Play it Forward

Your ongoing support last year allowed our foundation to partner with the Renton School District and provide more opportunities to students:

- For the 3rd year we provided individual grants to teachers throughout the district
- FREE Summer CTE STEM Robotics Camp and Elementary Summer Adventures Camp
- Access to *MyON*, a digital library, for every elementary student and their families
- *Puzzling Phenomena* to the brand-new Sartori STEM school that opened in August
- New musical instruments went to Nelsen, McKnight, Renton HS and Hazen HS

Where will your donations go in 2019?

- Increasing elementary science support throughout the schools in Renton
- A brand-new Lindbergh High School Drama Club
- Continue to provide *MyOn* to students in the classroom and at home
- Teacher Grants (we just awarded \$20,000 to staff throughout the district)
- FREE SUMMER programs and much, much more!

Thank you again for all of your support. You are inspiring students and making a difference!

Sincerely,

Pamela Teal

SAVE THE DATES

This is the 10-year anniversary of the Renton Schools Foundation and according to our records we have gifted to the students in the Renton School District: \$1,768,785.00 WOW, that’s almost 2 million dollars!

To celebrate our 10th anniversary we are hosting two events:

1. The Annual Benefit Breakfast – Monday, April 29 at the Renton Pavilion, AND
2. We are hosting a ticketed ‘Birthday Gala’ - Saturday, September 21 at the Hyatt hotel

We hope you will join us as we look back to celebrate our beginning, share how students are being impacted by your gifts and share our future dreams!
